READ 180
11th and 12th grade

Educational Background:

My name is Ms. Christopher, and I graduated from Mid-America Christian University with an Associates in General Studies, Bachelors in Psychology, and Master's Degree in Counseling. This is my first year at Wildwood Middle High School. Although this is my 10th year in education in varying roles, it is my first year in the classroom. I love to learn, and it is my hope to impart this same rewarding attribute to your scholar. I challenge you to encourage and support your scholars.

READ 180:

This reading course will continue to use the Read 180 platform. We will have two rotations each day. One rotation will be using the Read 180 app, one rotation will be smaller group, and the last rotation will be independent reading. Remember, there is an expectation that each student will complete 60 minutes each week.

WIIFM : What's In It for Me?!?!?!?!?!

I will be tracking your independent reading using your logs and your Read 180 points from each book. I will be looking into the AR selection in the Media Center to open the number of titles for you to be able to read within your Lexile Level. When you meet certain point ranges, I will give you a certificate and candy. **(If you do not want your scholar to receive candy, please send me a note or email**). We will also have a WIIFM Day to celebrate achievements made and encourage others to keep working toward achieving goals.

Questions? & About you!
