

Season of Bells

It's time for that sound we hear all around.
It's time for the season of bells!
When they start to ring, our hearts start to sing.
It's time for the season of bells!

Big ones, small ones. Short ones, tall ones.
High ones, low ones. Jingling in the snow ones.

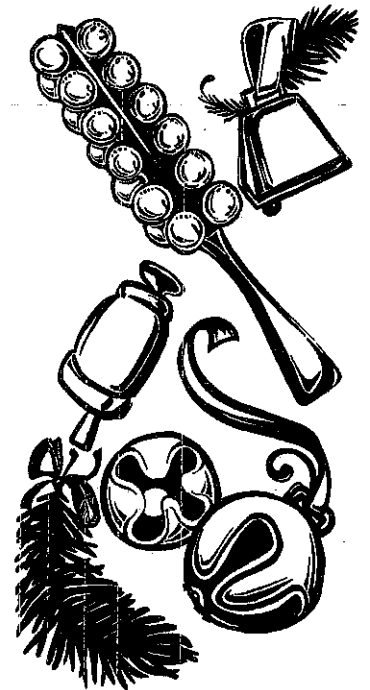

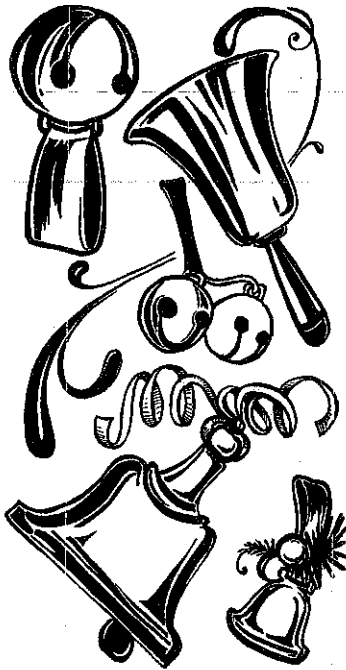

The time has begun to have merry fun.
It's time for the season of bells!
So be of good cheer, it's that time of year.
It's time for the season of bells.

play bells

sing: Big ones, small ones. Short ones, tall ones.
High ones, low ones. Jingling in the snow ones.

The time has begun to have merry fun.
It's time for the season of bells!
So be of good cheer, it's that time of year.
It's time for the season of bells!

It's time for the season of (*divisi, optional*): bells!
Of (*div., opt.*): bells!

A Grateful Nation

You have our backs/You always do.
You know that we rely on you.
You have our hearts/We honor you,
the heroes of red, white, and blue.
Red, white, and blue.

We are/a grateful nation/for all you do/for all you've done.

You put yourselves/right on the line.
Because of you, we're doin' fine.
Your family/has given, too.
And they deserve our gratitude.
Our gratitude.

We are/a grateful nation/for all you do/for all you've done.
We are/a grateful nation/for all you do/for all you've done.

sing twice:
Give it up, give it up for the heroes.
Give it up, give it up for the heroes.
Give it up, give it up for the heroes.
We are grateful!

We are grateful! Grateful!
