

AWESOME ANIMALS

Animals are ev'rywhere.
In the sea or in the air,
in the wild or in our care,
they're awesome.

Animals are all around.
In the trees and in the ground,
anywhere they can be found,
they're awesome.

Furry, feathered, slimy, scaly, fuzzy.
Quiet, howling, singing, calling, buzzy.

Flying, hopping, swimming, crawling, walking.
Barking, roaring, laughing, snorting, talking.
