

IN THE WILD

Oh, oh, oh. Oh, oh, oh.
Oh, oh, oh.

A lion roars. A bear will growl. An eagle screams. And wolves will howl.
Hyenas laugh. A horse will neigh. A snake will hiss. And hippos bray.

Even in nature the music is clear. Listen to what you can hear.

In the wild, there's a symphony of sound in the life all around.
In the wild, there's a symphony of sound.
In the wild.

Oh, oh, oh. Oh, oh, oh.
Oh, oh, oh.

part 1; part 2 answers (optional):

A dolphin clicks. (A dolphin clicks.) A fox will bark. (A fox will bark.)
Giraffes will bleat. (Giraffes will bleat.) And parrots talk. (And parrots talk.)
A camel grunts. (A camel grunts.) A mouse will squeak. (A mouse will squeak.)
Grasshoppers chirp. (Grasshoppers chirp.) And monkeys screech. (And monkeys screech.)

parts 1 & 2 (opt.):

Even in nature the music is clear. Listen to what you can hear.

In the wild, there's a symphony of sound in the life all around.
In the wild, there's a symphony of sound.

In the wild, there's a symphony of sound in the life all around.
In the wild, there's a symphony of sound.

In the wild. (In the wild, wild.) In the wild. (In the wild, wild.)
In the wild. (In the wild, wild.)

In the wild. Ooh.
