Title 1, Part A is a federal program designed to improve students' academic achievement. WES uses the money granted for salaries for resource teachers and staff, professional development for teachers, supplementary instructional supplies for classrooms, instructional software, and parent involvement activities.

All parents have the right to request information regarding the qualifications of teachers and paraprofessionals. You may access such information by logging on to the Florida Department of Education website: https://flcertify.fldoe.org/datamart/selSearchType.do
