

**Articulation Cooperative Agreement
Career Pathways**

**Between the District Board of Trustees of the College of Central Florida and
the Sumter County School Board
2022-2023**

Mechanisms and strategies for promoting “Career Pathways” programs of study

A. Courses and programs available to students eligible for Career Pathways

1. A Career Pathway is a coherent sequence of rigorous academic and technical courses that prepare students for successful completion of state academic standards and support transition to more advanced postsecondary coursework in a related career area of interest. According to the Florida Department of Education (DOE Information Data Base Requirements, Vol. 1), a Secondary Career Pathways Student is defined as a career and technical education student who has earned three or more high school credits in a single career and technical program concentrator, formerly known as program completer, and has participated in a locally developed Program of Study that has a written articulation agreement in place which establishes and validates the career pathway. Such is the purpose of this articulation agreement between the District Board of Trustees of the College of Central Florida and the School Board of Sumter County.
2. Courses to be provided by the College of Central Florida under this agreement will be mutually agreed upon by the College of Central Florida and the Sumter County School Board, and will avoid unnecessary duplication of existing courses in grades 9-12. Alterations to this list of offerings may be made with mutual consent of the College of Central Florida and the Sumter County School Board. (See Appendices A-I for articulated programs).
3. The College of Central Florida will develop a student education plan for each student applying for Career Pathways credit. In order to develop said plan, the student will present a high school transcript, which will be evaluated for purposes of determining college credits to be applied toward an Associate in Science degree. Said Associate degree will be the student's stated education objective.

B. The process for notifying parents and students of the option to participate in Career Pathways programs

1. The School Board of Sumter County, Florida, shall identify those students who have completed Career Pathways courses of study in high school and shall so notify the College of Central Florida.
2. The College of Central Florida will make available advising services to Career Pathways students, as provided to all CF students.

C. Eligibility criteria for student participation

1. Eligibility for participation in a Career Pathways program of study at the high school level is determined by a student's enrollment in a Career & Technical Education Program of Study. A student who is defined as a “concentrator” and has met the minimum academic requirements of a “B” (3.0) in the CTE Program is considered a Career Pathway student.
2. Once admitted to the College of Central Florida, articulated credits will be determined after the student has presented the appropriate dean and the Career Pathways Coordinator with a copy of his/her transcript.

D. Institutional responsibilities for student screening prior to enrollment and monitoring enrolled students

1. The School Board of Sumter County, Florida, shall identify those students who have completed Career Pathways courses of study in high school and shall so notify the College of Central Florida.
2. The College of Central Florida will make available advising services to Career Pathways students, as provided to all CCF students.

E. Awarding college credit for articulated Career Pathways courses

1. To receive Career Pathways credit, students must demonstrate mastery of articulated career and technical courses by earning at least a grade of "B" as indicated on their official high school transcripts. Additionally, students are required to pass an exam and/or approved alternative assessment of work to demonstrate mastery of course material at a level acceptable to the College of Central Florida.
2. Upon satisfactory completion of the Career Pathways assessment, the dean (or designated reviewer) will forward the articulated credits to the College of Central Florida Admissions and Records office. Upon receipt, the Admissions and Records office will process the articulated credit as an "S" for satisfactory on the students transcript and will not factor into the student's College of Central Florida grade point average.
3. Statewide Career and Technical Education Articulation Agreements, which are based on nationally recognized industry certification, support the Department of Education's Next Generation Strategic Areas of Focus (number three) effort to "expand opportunities for postsecondary degrees and certifications." Gold Standard Career Pathways Industry Certification to AAS/AS Degree Statewide Articulation Agreements based on nationally recognized industry certification does not preclude CCF from granting additional credit based on this local agreement.

F. Criteria by which the instructional quality will be maintained

The College of Central Florida shall be responsible for ensuring that the quality of instruction provided to Career Pathways students is comparable to that afforded other College of Central Florida students.

G. Cost of Career Pathways

Students who receive Career Pathways credits shall be exempt from the payment of registration and laboratory fees for those high school classes for which they receive credit according to the articulation agreement.

H. Program review

1. The College of Central Florida and Sumter County School Board personnel will, on an annual basis, review and revise existing articulation agreements as needed to keep them aligned with the most current program and course requirements. These programs will also be reviewed and revised to accommodate and adapt to changing labor market trends and demands.
2. The College of Central Florida and Sumter County School Board personnel will actively seek to develop additional articulated Career Pathways programs of study as new programs are added at the secondary and/or postsecondary levels.

Accountability

These provisions shall not prevent a Board assigned responsibility for one or more of these programs from developing joint programs of contracting for specific instructional services with another Board or agency, subject to review by the two local education agencies.

For each of these programs, all related enrollment projections, FTE reports, cost analysis, and other elements required for the allocation of funds shall be the sole responsibility of the assigned board unless herein indicated.

This Agreement and the policies and allocation of responsibility shall be effective upon being signed by the Board President or Chair, but shall be executed before registration for the fall term of the following school year. This agreement shall be for the 2021-2022 term and shall automatically renew each year until either party identifies a need for revision or terminates this agreement with a thirty day written notice.

IN WITNESS WHEREOF, Sumter County School Board and the District Board of Trustees of the College of Central Florida have adopted this agreement and caused it to be executed by their respective chairmen in accordance with Section 1007.235, F.S., District Interinstitutional Articulation Agreements.

*Business Technology Ed Core = Computing for College and Careers (8209020) or Introduction to Information Technology (8207310) or Keyboarding & Business Skills (8200320) ½ credit AND Computer & Business Skills (8200330) ½ credit. This course is an elective in ALL Programs of Study except Business Programs.

NOTES:

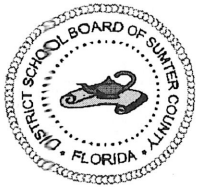

- Students must complete 3 or more of the offered courses to be considered a concentrator.
- If additional courses are taken in career pathway, additional college credits may be earned.
- 3.0 GPA in Program of Study coursework must be maintained to attain college credit.

***Note:** The Gold Standard State-Wide Articulation was approved by the State Board of Education. The Agreement is based on students earning college credits for passing an National Industry Certification. This supports the Department's Next Generation Areas of Focus effort Number 3 — "to expand opportunities for postsecondary degrees and certificates." These agreements are intended to be a minimum guarantee of articulated credit and do not preclude institutions from granting additional credit based on local agreements.

Public Records – Contract Addendum

Addendum to Contract: Career Pathways Articulation Agreement

Dated: _____

Public Records. Contractor shall keep and maintain public records that ordinarily and necessarily would be required by the Sumter County School Board in order to perform the services being provided by Contractor herein. Contractor shall provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes.

Contractor shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.

Upon completion of the contract, Contractor will transfer, at no cost, to the Sumter County School Board all public records in possession of the Contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Sumter County School Board upon request from the Sumter County School Board's custodian of public records, by Contractor in a format that is compatible with the information technology systems of the Sumter County School Board.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Scrutinized Company Certification

I hereby swear or affirm that as of the date below this company is not listed on a Scrutinized Companies list created pursuant to 215.4725, 215.473, or 287.135, Florida Statutes. Pursuant to 287.135, Florida Statutes I further affirm that:

1. This company is not participating in a boycott of Israel such that is not refusing to deal, terminating business activities, or taking other actions to limit commercial relations with Israel, or persons or entities doing business in Israel or in Israeli-controlled territories, in a discriminatory manner.
2. This Company does appear on the Scrutinized Companies with Activities in Sudan List where the State Board of Administration has established the following criteria:
 - a. Have a material business relationship with the government of Sudan or a government-created project involving oil related, mineral extraction, or power generation activities, or
 - b. Have a material business relationship involving the supply of military equipment, or
 - c. Impart minimal benefit to disadvantaged citizens that are typically located in the geographic periphery of Sudan, or
 - d. Have been complicit in the genocidal campaign in Darfur.
3. This Company does not appear on the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List where the State Board of Administration has established the following criteria:
 - a. Have a material business relationship with the government of Iran or a government-created project involving oil related or mineral extraction activities, or
 - b. Have made material investments with the effect of significantly enhancing Iran's petroleum sector.
4. This Company is not engaged in business operations in Cuba or Syria.

Career Pathways Articulation Agreement Between The College of Central Florida and The School Board of Sumter County, Florida

In a continuing effort to provide opportunities for secondary school students in the Agritechnology program to transition into the College of Central Florida's (CF) postsecondary programs listed below, CF agrees to award college credit to eligible Sumter County students according to the criteria delineated below. These credit hours may or may not be accepted for transfer credit by other institutions.

Secondary Program

Agritechnology

Postsecondary Program

Agribusiness Management, A.S.

Sumter County

South Sumter High School

College

The College of Central Florida

I. Articulated Courses and College Credit

CF agrees to award college credit hours or admission points to the secondary programs listed above upon demonstration of mastery of competencies in the courses below either through Career Pathways College Credit Assessment or through Industry Certification.

- A. *College Credit through Career Pathways College Credit Assessment:* The following high school course(s) must be maintained with a grade of "B" or better before assessment will be made to award the CF credit hours and/or admission points:

High School Courses	CF College Courses	College Credits
8207310 Digital Information Technology 8106810 Agriscience Foundations 8106820 Agritechnology 1 8106830 Agritechnology 2	OST 1100 Introduction to Word (Elective 3) ORH 1000C Introduction to Horticulture (3) ORH 1510 Ornamental Plant ID (3)	Up to 9

- B. *College Credit through Industry Certification:* Students who obtain the following Industry Certification(s) will be awarded credit for the postsecondary course(s) listed below:
FLFBR 005 Animal Science Certification

Industry Certification	CF College Courses	College Credits
FNGLA 001 Certified Horticulture Professional FLFBR001 Agritechnology	FNGLA 001 Certified Horticulture Professional ORH 1000C Introduction to Horticulture (3) ORH 1510 Ornamental Plant ID (3) FLFBR001 Agritechnology AEB 2012 Principles of Agribusiness Management (3)	Up to 9

Representatives of CF's Career and Technical Education (CTE) programs will review, at least annually, the content of the high school curriculum, as specified in this Agreement, to ensure standardization and attainment of goals.

CF agrees to award college credit hours or admission points to the secondary programs listed above upon demonstration of mastery of competencies in the courses below either through Career Pathways College Credit Assessment or through Industry Certification.

- A. *College Credit through Career Pathways College Credit Assessment:* The following high school course(s) must be maintained with a grade of "B" or better before assessment will be made to award the CF credit hours and/or admission points:

High School Courses	CF College Courses	College Credits
8417100 Health Science Anatomy and Physiology 8417110 Health Science Foundations 8417131 Allied Health Assisting 3	DEP 2004 Human Growth and Development (3) <i>*Applies toward A.S. in PTA</i> PHT 2342 Medical Terminology for the Physical Therapy Assistant (3) <i>*Applies toward A.S. in PTA</i> BSC 1080 Basic Anatomy and Physiology (3) <i>*Please note: BSC 1080 only applies to the Dental Assisting Diploma</i>	Up to 6

- B. *College Credit through Industry Certification:* Students who obtain the following Industry Certification(s) will be awarded credit for the postsecondary course(s) listed below:

Industry Certification	CF College Courses	College Credits
NONE	NONE	0

Edited 9/6/22

Representatives of CF's Career and Technical Education (CTE) programs will review, at least annually, the content of the high school curriculum, as specified in this Agreement, to ensure standardization and attainment of goals.

II. General Provisions

Comprehensive College Examination and Industry Certification: To receive college credit, students must meet the following criteria:

- A. Have a minimum of a "B" average in the high school course(s) designated in this document and have the recommendation of the high school CTE program instructor and permission of the parent/guardian to take a college comprehensive examination for the articulated course(s).
- B. Pass the college comprehensive examination(s) approved by the CTE programs coordinator or obtain the Industry Certificate(s) as listed. The high school instructor and the CF programs coordinator will make arrangements once a year through the Career Pathways coordinator to administer the examination(s) at the CF campus or to verify Industry Certification results. The high school and college faculty will identify course competencies.

Students who choose to be exempted from all or part of the examination requirements by Industry Certification will receive credit by experience for the class in question if all other requirements are met.

- C. Students who score a minimum of eighty percent (80%) on the comprehensive institutional examination, or obtain the Industry Certification(s) as listed, will be awarded a grade of "S" which will not factor into the student's CF grade point average. A permanent college transcript will be generated. The exam results or proof of Industry Certification will be reported to the Career Pathways coordinators at CF and Sumter County Public Schools.
- D. If the credit(s) for the articulated course(s) meet A.S. degree requirements, they will be applied toward the A.S. degree. Students will not be officially admitted to CF until all required admissions criteria have been met.
- E. Students who have obtained their Certified Nursing Assistant (CNA) will be recognized for their accomplishment by receiving additional consideration when applying for the nursing program.

III. Sharing of Data

CF and The School Board of Sumter County, Florida agree to share student educational data under conditions consistent with the Family Educational Rights and Privacy Act (FERPA). Either party may initiate requests to share data if it has a legitimate educational interest in the data. The shared information shall be used solely to benefit the Career Pathways program and students by facilitating access to and increasing educational opportunities at both institutions. Each institution will be deemed a school official of the other for purposes of this Agreement. CF will provide information about the sharing of data in its annual notification to students.

I. Articulated Courses and College Credit

CF agrees to award college credit hours or admission points to the secondary programs listed above upon demonstration of mastery of competencies in the courses below either through Career Pathways College Credit Assessment or through Industry Certification.

- A. *College Credit through Career Pathways College Credit Assessment:* The following high school course(s) must be maintained with a grade of "B" or better before assessment will be made to award the CF credit hours and/or admission points:

High School Courses	CF College Courses	College Credits
8207310 Digital Information Technology 8106810 Agriscience Foundations 8121510 Introductory Horticulture 2 8121520 Horticulture Science 3	OST 1100 Introduction to Word (Elective 3) ORH 1000C Introduction to Horticulture (3) ORH 1510 Ornamental Plant ID (3)	Up to 9

- B. *College Credit through Industry Certification:* Students who obtain the following Industry Certification(s) will be awarded credit for the postsecondary course(s) listed below:

FLFBR 005 Animal Science Certification

Industry Certification	CF College Courses	College Credits
FNGLA 001 Certified Horticulture Professional FLFBR001 Agritechnology	FNGLA 001 Certified Horticulture Professional ORH 1000C Introduction to Horticulture (3) ORH 1510 Ornamental Plant ID (3) FLFBR001: Agritechnology AEB 2012 Principles of Agribusiness Management (3)	Up to 9

Representatives of CF's Career and Technical Education (CTE) programs will review, at least annually, the content of the high school curriculum, as specified in this Agreement, to ensure standardization and attainment of goals.

Edited 9/6/22

II. General Provisions

Comprehensive College Examination and Industry Certification: To receive college credit, students must meet the following criteria:

- A. Have a minimum of a “B” average in the high school course(s) designated in this document and have the recommendation of the high school CTE program instructor and permission of the parent/guardian to take a college comprehensive examination for the articulated course(s).
- B. Pass the college comprehensive examination(s) approved by the CTE programs coordinator or obtain the Industry Certificate(s) as listed. The high school instructor and the CF programs coordinator will make arrangements once a year through the Career Pathways coordinator to administer the examination(s) at the CF campus or to verify Industry Certification results. The high school and college faculty will identify course competencies.

Students who choose to be exempted from all or part of the examination requirements by Industry Certification will receive credit by experience for the class in question if all other requirements are met.

- C. Students who score a minimum of seventy percent (70%) on the comprehensive institutional examination, or obtain the Industry Certification(s) as listed, will be awarded a grade of “S” which will not factor into the student’s CF grade point average. A permanent college transcript will be generated. The exam results or proof of Industry Certification will be reported to the Career Pathways coordinators at CF and Sumter County Public Schools.
- D. If the credit(s) for the articulated course(s) meet A.S. degree requirements, they will be applied toward the A.S. degree. Students will not be officially admitted to CF until all required admissions criteria have been met.

III. Sharing of Data

CF and The School Board of Sumter County, Florida agree to share student educational data under conditions consistent with the Family Educational Rights and Privacy Act (FERPA). Either party may initiate requests to share data if it has a legitimate educational interest in the data. The shared information shall be used solely to benefit the Career Pathways program and students by facilitating access to and increasing educational opportunities at both institutions. Each institution will be deemed a school official of the other for purposes of this Agreement. CF will provide information about the sharing of data in its annual notification to students.
